control at present over the hospitals, and the M.C has in connection with his proposals for overhauling the College, explained already the necessity for placing the hospitals under the control of the Principal. Captain Srinivasa Murthy's (of Madras) services have been requested to be placed for this purpose and the reply of the Madras Govt in the matter is awaited

Moreover the Bangalore Central Unani Medical Practitioners' Association, Bangalore suggested among others, that a highly qualified Hakim may be appointed as Supdt of the Unani Section of the College and also of the Hospital and the Association has been informed, in consultation with the M.C. that it is proposed to delete the G.O. Vesting the duties of the Principal ex-officio Supdt in one person i.e. the Principal of the College so as to bring about the co-ordination between the two Sections.

The present recommendation of the M.C is to give effect to the above suggestion also and may perhaps be approved.

As the proposals of the Medical Board (Flag L) in the opinion of the M.C are well considered and calculated to serve the objects in view. & the cases explained by the M.C. they may be sanctioned.
